MORE ABOUT **OUR SERVICES**

We are committed to delivering high-quality services that meet the needs of our clients. We have a rigorous quality control process that ensures that every project we undertake meets the highest standards of quality and craftsmanship. Our quality control process includes regular inspections and testing to ensure that everything is working properly and that the project is completed to the satisfaction of our clients.

1 STAGE RIGGING

At 4Mation, we offer expert stage rigging services that are tailored to your specific needs. Our team of professionals works closely with you to understand your requirements and construct a stage that is both visually stunning and functional.

3 STAGE VISUALS

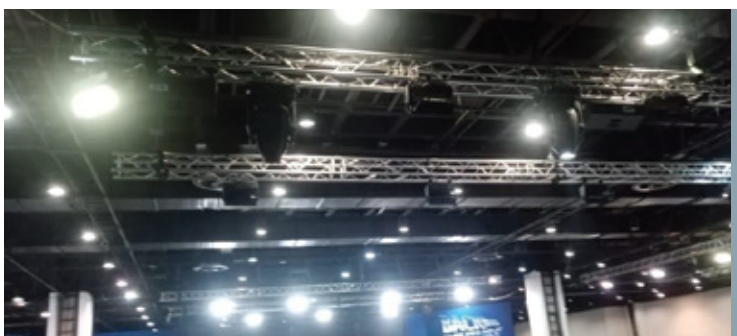

Our stage visual services are designed to create an immersive and visually stunning experience for your audience. We install LED Screens to create stunning visuals that enhance your event and leave a lasting impression on your audience.

2 EVENT LIGHTING

We offer event lighting services that are designed to enhance the look and feel of your event. We design a lighting setup that is both functional and aesthetically pleasing, that enhances the overall ambiance of your event.

4 PROJECT MANAGEMENT

Our project management services are designed to ensure that your project runs smoothly from start to finish. We assign a dedicated project manager to oversee the project and ensure that everything is completed on time and within budget.

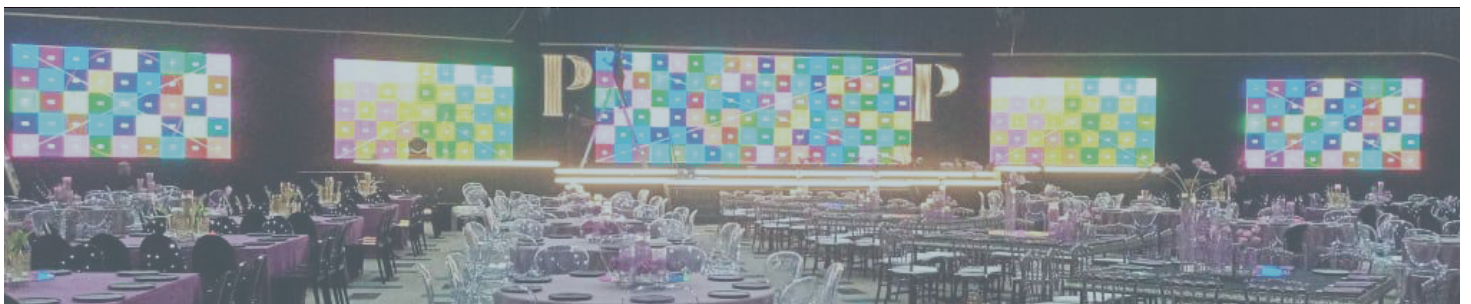

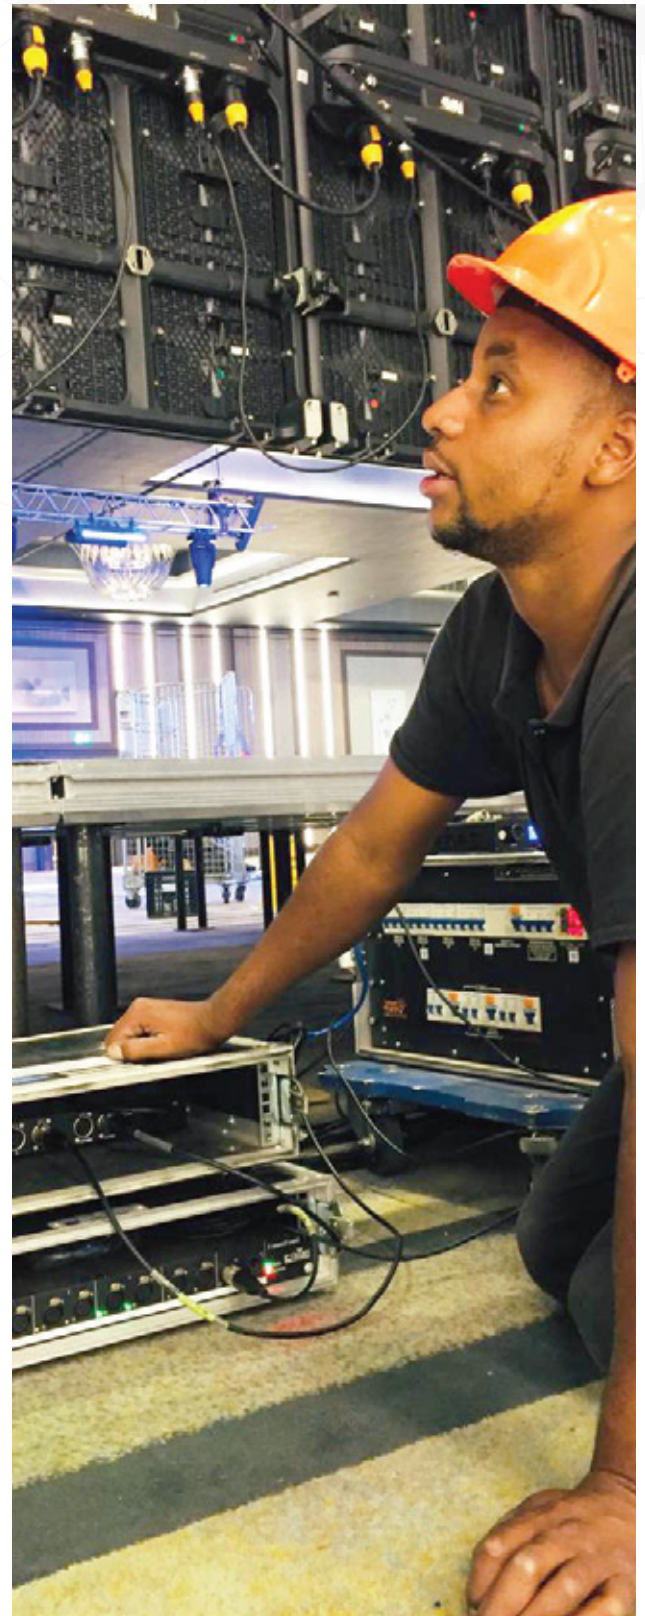

Trust us to transform your event space with our innovative rigging products and services, creating a seamless and visually striking environment that enhances the overall experience.

CORE VALUES

COMMITMENT TO QUALITY

We are proud of our high service standards and the quality of our workmanship- we aim to establish error free as our standard. For us this means...

- Striving to do things right first time and taking pride in our work
- Self auditing and checking our work rigorously and not allowing the client to find our mistakes before we do.
- Never adopting short cuts or cost cutting measures which could affect the quality of our work
- Employing staff of the highest calibre with the right skills and training to do their job to these standards
- Using the best and most appropriate materials and techniques
- Only taking on projects where it is possible to achieve these high standards
- Educating our clients so that they have appropriate expectations by which to judge quality and by informing them what WE have done to fulfill these standards

INTERGRITY AND OPENNESS.

Successful long- term relationships are built on trust.

Our integrity and openness is evident in all our business dealings and the behaviour of our staff

For this means...

- Encouraging openness and straight dealing in our internal and external relationships
- Never making promises we cannot keep
- Allowing everyone to speak freely about things which concern them without fear of reprisal
- 4Mation provides a quality, cost effective and efficient service to client
- Acknowledging our mistakes and putting them right immediately
- Demanding integrity and honesty from everyone in the company and expecting our clients and suppliers to reciprocate.

RECOGNITION OF THE INDIVIDUAL

People are any company's prime asset. We value their contribution, we encourage individuals to develop their own skills and take on responsibility for their actions.

For 4Mation Projects this means...

- Only recruiting capable people
- Ensuring that everyone has the right skills and is provided with the necessary training to do their work
- Ensuring that everyone in the organisation is clear about what they are meant to be doing and the standards to which they are working in the context of our overall business and Project strategy
- Each person accepting responsibility for his or her own actions and being empowered to resolve any problems supported by appropriate checks and balances
- Encouraging a positive and constructive approach to the ownership and solution of problems and seeking to avoid a confrontational approach to disputes

WHY WE ARE THE RIGHT CHOICE?

Commitment to Quality

We are proud of our high service standards and the quality of our workmanship - we aim to establish error free as our standard.
